## Chairwoman's Corner

Spring is almost here! As spring arrives and yard cleanup begins remember that green waste pickup will again be on Thursdays. The Town also offers our dumpster program for those bigger projects. Contact our staff for more information.

Long term Board member Matt Bernard left us in December. We will sincerely miss his commitment, dedicated service and friendship. We all wish him well in future endeavors.

We have a new member on the Board, we would like to introduce you to Bryan Davis. Bryan comes with a lot of experience and knowledge and we are all looking forward to working with him. I know he will contribute in keeping Minden a great place.

Spring brings out many activities in the Town of Minden. We are hoping that the concerts will return in May as well as The Farmers Market on Tuesday evenings. We are really looking forward to our annual Carson Valley Days breakfast which we hope will be held in June as we celebrate Carson Valley Days!

Again, our thanks to staff who all work so hard to keep Minden looking great! Please join us at our Board Meetings the first Wednesday of each month at 5:30pm. We would love to see you there!

Enjoy the beautiful season of Spring!

Sincerely,  
Susie Jackson

As a reminder the Town Offices will be closed on Monday, May 31st in observance of Memorial Day.

# Notes from Public Works

Water conservation is something we can all participate in. Although the Town does not currently enforce limited water use, we do ask all residents to be mindful to not waste water. Avoid watering your yard and outdoor plants between the hours of 10 am and 6pm to help reduce evaporation. Be aware not to have pooling or running water on sidewalks and driveways.

As a friendly reminder, please stay out of the water meter pits, as this may

cause damage to the equipment. If you have a water related emergency and need your water turned off, please call the Town Office at 775-782-5976 or Dispatch at 775-782-5126.

If you have not paid for your water meter yet, we are giving everyone the opportunity to sign up for a contract to have smaller installments added to your regular quarterly billing. If you would like to sign up or have questions, please reach out to the Town Office.

**Please check our website for the most up to date information on current or cancelled events in the CVIC Hall and Minden Park.**
